

**How are you spending your summer?** As relaxing as it may be to chill at the pool or hang out with friends, what if you chose instead to make an eternal impact in the lives of kids right where you live? High school and college age students from around Kansas are coming together to reach the boys and girls in OUR community ... and YOU can be a part of this team!

### What is CYIA® (*Christian Youth in Action*®)?

CYIA is a program designed to train you in effective and engaging ways to teach children about God. It is a two week training school, where you will learn to present the Gospel clearly on a child's level, counsel children for salvation and lead a dynamic club ministry for kids. Components of this club include teaching a Bible lesson, a real-life missionary story and a Bible verse as well as songs, games, and fun!

### After this training ...

You will return to your local community and may teach *5-day Clubs*® at various locations with a team of other CYIA trained young people. These clubs take place in the community with predominately unsaved kids who don't regularly attend church. You will be able to take the light of the gospel to them in their apartment complexes, daycare centers, neighborhoods, schools and other community locations.

If YOU have a heart for ministry and want to team up with other young people to reach the children in your community, then CYIA is for you.

### DETAILS!

The training this year will be June 2-14 at the First Southern Baptist Church in Salina, Kansas. The first week is spent in about 30 hours of classroom time. Besides classes, there are great Chapel times, wonderful meals, organized Fellowship time, Dorm devotions, prayer partners, and Recreation.

### 5-Day Clubs® ...

The second week of training is "hands on" training. Teams of three teens and a staff person head out to a backyard in the surrounding area for a *5-Day Club* for all five days in the morning. You gain practical experience organizing and teaching the club. This club time includes a Bible lesson with invitation, missionary story, songs, learning verses, review games, and a recreation in getting to know the children. Then it's back to CYIA where the afternoons are spent preparing lessons for the next day and doing practicums together, as well as some other extra-curricular activities.
